Did you know that the barn you’re sitting in turns 168 years old this year in 2024??

This historic structure was originally built as a tobacco barn in Kentucky.

The original builders could not have known their 300-600 year-old oak and birch beams would be the foundation for a venue with exceptional, world-renowned artists and yet, here we are!

No need to run from restaurant to music hall—at Dosey Doe, you have it all.
